Town and Country Planning Act 1990
Town and Country Planning (Tree Preservation) (England) Regulations 2012

Application No. T/14/73915

In pursuance of their powers under the above Act and in accordance with your application received on 15 January 2014

the Council, as Local Planning Authority hereby REFUSE TREE CONSENT for the following :

Description: Felling of 3no. trees (species unknown) T1-T3.
Site: Land To Rear Of, Ploverfield South Ploverfield, Long Lane, Bursledon, Southampton, SO31 8DA

For the following reasons:
On the basis of the limited information available to the Local Planning Authority the proposed felling of 3no Lombardy Poplars is considered unjustified and will be of detriment to the health and appearance of the tree. The works would thus result in an adverse impact upon the visual amenity, ecology and wildlife, shelter and screening of the surrounding area.

After two visits to the site, the tree officer could not locate the position of the trees. Therefore the tree inspection could not take place.

Note to applicant: Please provide a map so that the trees can be located.
