Town and Country Planning Act 1990
Town and Country Planning (Tree Preservation) (England) Regulations 2012

Application No. T/13/73065

In pursuance of their powers under the above Act and in accordance with your application received on 9 August 2013

the Council, as Local Planning Authority hereby REFUSE TREE CONSENT for the following :

Description: Reduce branches overhanging fence by 2m and remove 1 low branch from 1no. Oak
Site: Oakdene, 58b Winchester Road, Chandler's Ford, Eastleigh, SO53 2GN

For the following reasons:
The proposed reduction of branches overhanging fence by 2m and removal of 1 low branch from 1no. Oak is considered unjustified and will be of of detriment to the health and appearance of the tree. The proposal will make the tree appear very one sided and will not significantly ease the reasons provided for the works. The works would thus result in an adverse impact upon the visual amenity, ecology and wildlife, shelter and screening of the surrounding area.

Note to applicant: Stubs and dead wood may be removed without the requirement for council consent.
