Application Number:	N/13/72348

Work Request/Notification:

1 no. Willow - crown reduce by ?

Reason For Application:

Shading to garden and play area

Comments:

The tree has previously been reduced to approximately 10m. There are several broken hanging branches within the canopy and evidence of historical branch loss at 7m (tear wound). There is a cavity in the main stem extent unknown.

Decision: No objection raised

Decision Comment

No objections to the proposed works in principle but I would like clarification of the extent of the crown reduction.

Conditions:

Notes to applicant:
