Mr Matthew Aldridge
Eastleigh Borough Council
Civic Offices
Leigh Road
Eastleigh
SO50 9YN

03 March 2014

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2010

Application No. F/14/73900

In pursuance of their powers under the above Act and in accordance with your application received on 11 February 2014

the Council, as Local Planning Authority hereby PERMIT the following :

Description: Enclosure of mezzanine at first floor of the Colin Ingleby Mackenzie Stand to provide new gym area and boxing club.
Site: The Ageas Bowl, Botley Road, West End, Southampton, SO30 3HA

Subject to due compliance with the following conditions:
(1) The development hereby permitted shall be implemented in accordance with the following plans numbered: LO1, BL1, EL1, FL1. Reason: For the avoidance of doubt and in the interests of proper planning.

(2) The development hereby permitted shall start no later than three years from the date of this decision. Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

(3) The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in type, colour and texture those used on the existing building. Reason: To ensure a satisfactory visual relationship between the new development and the existing.

Note to Applicant: It is considered that, subject to compliance with the conditions and any obligations attached to this permission, the proposed development is acceptable

because it will not materially harm the character of the area, the amenity of neighbours or highway safety and it is in accordance with the policies and proposals of the development plan, comprising the Eastleigh Borough Local Plan Review [2001-2011], and after due regard to all other relevant material considerations including the National Planning Policy Framework and the Revised Consultation Draft Eastleigh Borough Local Plan [2011-2029] the local planning authority is of the opinion that permission should be granted.

The following development plan saved policies and emerging draft local plan policies are relevant to this decision and the conditions attached to it:

Eastleigh Borough Local Plan Review 2001-2011, saved Policies 1.CO, 2.CO, 148.OS, 158.OS

Revised Consultation Draft Eastleigh Borough Local Plan 2011-2029 Policies DM1, DM33, WE11

In accordance with paragraphs 186 and 187 of the National Planning Policy Framework, Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.

Note to Applicant: If a crane is likely to be used during construction, the developer will need to get in contact with the Airside Policy & Planning Officer for Southampton Airport at least one month prior to discuss the requirements. Due to the ground height it is highly likely that any crane activity on this site will infringe on the obstacle limitation surfaces so they will need to assess any plans accordingly.
