CONSULTATION RESPONSES

Transport Policy Officer: Matt Grantham

TPol Comments: No objection.

Whilst the property plans show an extension resulting in a 4+ bed dwelling, this does not involve a change of access, and the required 3 on-site vehicle parking spaces are aalready provided via the front driveway. In addition, the property has the ability to request on-street parking permits for the CPZ within which it is located. As such it would not be anticipated that any negative highway impacts would result from the development proposal.
