CONSULTATION RESPONSES

Transport Policy Officer: Matt Grantham

TPol Comments: Holding objection.

At present, the primary area for the new trolly parking is utilised for cycle parking that is noted to be well utilised, and of course provides a sustainable option for access to the site by a non-car mode.

Plans do not show where this cycle parking will be replaced and this situation should be amended.

Once plans showing sufficient cycle parking are received, re-assessment of the application can be undertaken accordingly.
