Description: Two storey rear extension, following demolition of existing conservatory, conversion of existing garage and creation of new garage
Site: 10 Smith Grove, Hedge End, Southampton, SO30 0JH

Reason: For the avoidance of doubt and in the interests of proper planning.

(2) The development hereby permitted must be begun within a period of three years beginning with the date on which this permission is granted. Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

(3) The materials to be used must match as closely as possible, in type, colour and texture, those on the existing building. Reason: To ensure a satisfactory visual relationship of the new development to the existing.

Note to Applicant: It is considered that, subject to compliance with the conditions and any obligations attached to this permission, the proposed development is acceptable because it will not materially harm the character of the area, the amenity of neighbours or highway safety, and it is in accordance with the policies and proposals of the development plan, as listed below, and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.
