Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2010

Application No. F/13/72626

In pursuance of their powers under the above Act and in accordance with your application received on 23 May 2013

the Council, as Local Planning Authority hereby PERMIT the following :

Description: Single storey rear extension
Site: 33 Longmead Avenue, Bishopstoke, Eastleigh, SO50 6EP

Subject to due compliance with the following conditions:
(1) The development hereby permitted shall be implemented in accordance with the following plans numbered: MI5747/13. Reason: For the avoidance of doubt and in the interests of proper planning.

(2) The development hereby permitted shall start no later than three years from the date of this decision. Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

(3) The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in type, colour and texture those used on the existing dwelling. Reason: To ensure a satisfactory visual relationship between the new development and the existing.

(4) No window shall be constructed in the eastern side elevation of the development hereby approved. Reason: To protect the amenity and privacy of the adjoining residential property.

Note to Applicant: Records show that the application site is located on a former brickworks where there is the potential for contaminated/made ground. It is advised that this be taken into consideration when designing the foundations for the extension and should be discussed with your Building Control Surveyor prior to starting any building works.

Note to Applicant: It is considered that, subject to compliance with the conditions and any obligations attached to this permission, the proposed development is acceptable because it will not materially harm the character of the area, the amenity of neighbours or highway safety and it is in accordance with the policies and proposals of the development plan, as listed below, and after due regard to all other relevant material considerations including the National Planning Policy Framework and the emerging draft Eastleigh Borough Local Plan [2011 - 2029] the local planning authority is of the opinion that permission should be granted.

The following development plan saved policies and emerging draft local plan policies are relevant to this decision and the conditions attached to it:

Eastleigh Borough Local Plan Review 2001-2011, saved Policy [59.BE].

Pre-submission Eastleigh Borough Local Plan 2011-2029 Policy [DM1].

In accordance with paragraphs 186 and 187 of the National Planning Policy Framework, Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.
