Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Site Visit Date: 28/05/2013

Address: 9 Park View

Town: Botley

Postal Code: SO30 2AB

Application Category: Tree Preservation Order Application

Application Number: T/13/72613

Work Request/Notification:

T1 - oak - remove the two lowest limbs and reduce the remaining overhanging canopy by 2-3m
T2 - oak - reduce the overhanging branches by 3-4m
G1 - hawthorns x 3 - remove

Reason For Application:

None provided

Comments:

The oak trees are situated in an area of ground to the rear of the property and are part of a number of trees (predominantly oaks) which make up a woodland strip.
The hawthorns have already been cut to 1m stumps and partially dug out.

Decision: Part Consent/Part Refuse

Decision Comment

The oaks are part of a group of trees which provide significant amenity and ecological value to the area. The proposed works will reduce their landscape contribution and interupt the overall asthetics of the woodland strip. Refuse consent to crown reduce.
Consent to the removal of the hawthorns.
