Town and Country Planning Act 1990
Town and Country Planning (Tree Preservation) (England) Regulations 2012

Application No. T/16/78185

In pursuance of their powers under the above Act and in accordance with your application received on 7 March 2016

the Council, as Local Planning Authority hereby CONSENT TO TREE WORKS for the following :

Description: Felling of 1no. Birch (T1)
Site: 23 The Drove, Horton Heath, Eastleigh, SO50 7NX

Subject to due compliance with the following conditions:
CONSENT TO: T1 Birch; Fell.

(1) The tree works hereby consented shall be completed within 2 years of the date of this permission and shall be carried out in accordance with the approved details and to British Standard for Tree Work BS3998:2010. Reason: Supplied information concludes that this tree is the most likely influence in the seasonal movement of the building and the subsidence claim.

(2) No tree works shall start until the Local Planning Authority has been notified in writing that a replacement tree will be planted within the next planting season [November until March] following the removal of the tree for which the consent has been granted. Reason: To conserve the character of the locality.

Note to Applicant: It is considered that, subject to compliance with the conditions attached to this permission, the proposed tree work is acceptable because it will not materially harm the character of the area, the amenity of neighbours or highway

safety, and is in accordance with the policies and proposals of the development plan and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.

Note to applicant: All works hereby consented should be carried out by a suitably qualified tree surgeon. A copy of the decision notice should be given to the Tree Surgeon.
