T1 Ash: Crown reduce by 25%, to leave the tree at 7m in height and with a canopy radius of 3m.

CONSENT TPO WORKS (L12)
Note to Applicant: It is considered that, subject to compliance with the conditions attached to this permission, the proposed tree work is acceptable because it will not materially harm the character of the area, the amenity of neighbours or highway safety, and is in accordance with the policies and proposals of the development plan and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.

Note to applicant: All works hereby consented should be carried out by a suitably qualified tree surgeon. A copy of the decision notice should be given to the Tree Surgeon

TIME LIMIT TREES (G09)
The tree works hereby consented shall be completed within 2 years of the date of this permission and shall be carried out in accordance with the approved details and to British Standard for Tree Work BS3998:2010.
Reason: To preserve the special amenity value of the tree.
