Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/17/79751

Site Visit Date	10/2/2017	
Address	6 Emmons Close Hamble-Le-Rice Southampton SO31 4QF	
Work notification/ request	Fell 1no. Yew	
Comments/ observations following site visit	1 x Yew (T1) This tree is in a rear garden location. It has a good visual amenity as it is visible from the highway and surrounding properties. The tree is mature in its age and typical of the species. It appears outwardly healthy with good leaf size and density with no obvious pests and disease or structural issues. The tree adds interest to the local street scene with its appealing shape and year round leaf cover. Consent was given on a previous application to maintain this tree at 6m for 15 years. I see no reason why this should not continue. There is no supporting arboricultural evidence to remove this tree from its location.
