Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/16/79525	
Case Officer	Matt Strand	
Site Visit Date	23/1/2016	
Address	80 Jenkyns Close Botley Southampton SO30 2UU	
Work notification/ request	Crown reduction to 1no. Oak (T1)	
Comments/ observations following site visit	1 x Oak (T1) This tree is in a rear garden location and is highly visible from the highway and surrounding properties. The tree provides a high level of visual amenity. The canopy is sparse in places and the tree lacks vigour with historic pruning wounds and deadwood. A sympathetic reduction would encourage internal regeneration and in the long term provide future growth points for further tree work and ensure the longevity of this tree. This is best done gradually with a tree of low vigour.	
Decision	**Consent**	
Conditions	Consent to – reduce 1 x Oak (T1) by up to 1m from the branch tips to suitable growth points leaving a maximum live pruning wound of 45mm.	
Notes to applicant	Deadwood removal does not require LPA approval.
