Dear Ms Rainger,

THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND) REGULATIONS 2012, SI No. 605
APPLICATION FOR CONSENT TO CARRY OUT WORKS TO PROTECTED TREES
APPELLANT: FREDERIQUE CACHEUX
SITE AT: 22 BISHOPS COURT, EASTLEIGH, HANTS SO50 6PE

SITE INSPECTION ARRANGEMENTS

I am writing to inform you that arrangements have been made for Inspector J Reid, an Inspector appointed by the Secretary of State, to conduct a site inspection in connection with the above appeal. The arrangements are set out below.

Date:	19 June 2017
Time:	11:00
Meeting point:	Outside the front entrance to 22 Bishops Court, Eastleigh, Hants SO50 6PE

The Inspector will expect to be accompanied by the appellant (or their representative) and a representative of the Council. If you are unable to attend, you should arrange for someone to take your place.

If any party fails to arrive at the site visit, the Inspector will determine the most suitable course of action, which usually will mean that he/she will conduct the visit unaccompanied. In exceptional circumstances, the visit might have to be aborted.

Please bear in mind that no discussion about the merits of the appeal is allowed during the inspection and that the Inspector will not accept any written representations. The Inspector may, however, ask questions during his/her visit to clarify matters of fact. Additionally, the Inspector may wish to take photographs of the appeal tree(s) and surroundings.

After the site visit has taken place the Inspector will write a decision which will take into account the written evidence and the observations made during the site visit. A copy of the decision will be sent to you as soon as it is ready for issue.

A similar letter has been sent to the appellant.

Yours sincerely

Kevin Gordon
Environment Appeals Team
