Eastleigh Borough Council TPO and CA Decisions

Date: 8.11.12

Application number: T/12/71529

Address of the trees: Eastleigh Health Centre – Newtown Road

Request for works: Felling

Comments:

T1 – Insignificant tree growing through canopy of conifer and the tree is leaning towards the health centre and will cause issues in the future. There is dieback in the canopy and is in a poor condition.

T2 – Chicken of the wood fungus on the main stem of the tree and significant dieback within the upper section of the canopy.

T3 – Dead tree within the car parking area of the health centre.
