Dear Crysta

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015

Planning Permission F/14/75237
Erection of 2 no. detached buildings to provide changing rooms, storage, office accommodation and community space following demolition of existing buildings.

Lakeside Country Park, Wide Lane, Eastleigh, SO50 5PE

I refer to your application and plan numbered P0013-A-2225-B received on 17 May 2016 showing the following changes to the planning permission:

Substitution of high level hopper style windows with larger tilt/turn operable windows.

I have examined your drawings and consider that the revisions can be treated as a non-material amendment to the above planning permission and as such they are hereby permitted.

The conditions specified on the original planning permission will continue to apply.

Yours sincerely
