For attention of Ms Morris

Dear Sirs

Re: F/24/98495 At Pavement o/s, Swan Centre Car Park, Eastleigh, SO50 5PB

Installation of an Advertised Communication Hub Unit with Defibrillator and associated works

In regard to application F/24/98495, having reviewed the application from a Highways perspective, there would be no objection to the proposals in principle. This however would be subject to appropriate licences being applied for and granted (from HCC as Local Highway Authority) to undertake the associated installation works, should a permission be granted from EBC as Local Planning Authority.

The proposed location of the Communication Hub is in a non-obstructive position on Wells Place, where due to the localised widening of the footway, adequate pedestrian movement space remains to circulate the unit.

Yours faithfully,

Matt Grantham
