Comments/ observations following site visit of 15/05/2015:

1 x Large mature Oak - The tree is part of a line of mature trees and has value as a landscape tree, as part of an historic boundary and as a backdrop to the streetscene. The tree appears to be growing from outside of the applicant's property. The tree is growing directly to the north of the property so shading from the tree should be minimal. No other reason, justification or evidence has been provided.
