Comments:

Comments/ observations following site visit of 12/02/2016:

Beech - poor specimen growing into the crown of the adjacent Oak with large vertical cavity at the base of the tree. Support removal to allow Oak to flourish.

Willow - Historical wind-throw; lying across the river and an obstruction to the river

Decision:

Consent

Decision Comments:

Consent to-
1 x Beech - Fell.
1 x Willow - Reduce by 50%

Conditions:

Standard Time and quality

Notes to applicant:

None

No comments had been received at the time of inspection

Public Objection/support Support Qty: 1 Objection Qty: 1

I wish to Object as I have seen nothing on the plans that state the trees are in a dangerous condition. Eastleigh is loosing far to many trees -

Objection Consideration:

The application clearly states that the Beech has a cavity and my own observation is the tree is interfering with the adjacent Oak. The Willow has fallen over as stated in the application.
