Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2010

Application No. C/11/70006

In pursuance of their powers under the above Act and in accordance with your application received on 11 November 2011

the Council, as Local Planning Authority hereby PERMIT the following :

Description: Installation of photovoltaic panels on roof & associated raising of parapet height by 0.2m
Site: 22 Crowsport, Hamble, SO31 4HG

Subject to due compliance with the following conditions:

(1) The development hereby permitted shall be carried out in accordance with the following approved plans: Loc 01, 1212/SK29, 1212/200 Rev P, 1212/SK30, 1212/104 Rev L.
Reason: For the avoidance of doubt and in the interests of proper planning.

(2) The development hereby permitted must be begun within a period of three years beginning with the date on which this permission is granted. Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

(3) The materials to be used must match as closely as possible, in type, colour and texture, those on the existing building. Reason: To ensure a satisfactory visual relationship of the new development to the existing.

Note to Applicant: It is considered that, subject to compliance with the conditions and any obligations attached to this permission, the proposed development is acceptable because it will not materially harm the character of the area, climate change and the amenity of neighbours and it is in accordance with the policies and proposals of the

development plan, as listed below, and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.

The following development plan policies are relevant to this decision and the conditions attached to it:
