Application Summary:

Construction of single storey side extension

Policy Officer: Tim Guymer

Comments:

Design Officer: Tim J S Dyer

Comments: This proposal is in keeping with the original character of the building, is subserviant to it and tucked away to the right behind the garage and link wall, taking the allowable extentions to the limit, so is an acceptable proposal.
This should be the last extention allowed on this building.
Building materials and details should match the existing building exactly.
