Eastleigh Borough Council TPO and CA Decisions

Date: 20.02.13

Application number: T/13/71997

Address of the trees: 19 Dean Court. Hedge End

Request for works: Coppicing

Comments:

Historically, these trees have been coppiced in the past and this application is to coppice them again.

I do not have any objections to this work as this has been the traditional management of this group of trees.
