In pursuance of their powers under the above Act and in accordance with your application received on 20 October 2011

the Council, as Local Planning Authority hereby PERMIT the following :

Description: Single storey front and side extension following removal of garage (amended description)
Site: 1 Sheffield Close, Bishopstoke, Eastleigh, SO50 6NP

Subject to due compliance with the following conditions:

(1) The development hereby permitted shall be carried out in accordance with the following approved plans: 11003/001 REV E. Reason: For the avoidance of doubt and in the interests of proper planning.

(2) The development hereby permitted must be begun within a period of three years beginning with the date on which this permission is granted. Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

(3) The materials to be used must match as closely as possible, in type, colour and texture, those on the existing building. Reason: To ensure a satisfactory visual relationship of the new development to the existing.

(4) Prior to first occupation of the extension hereby permitted, a minimum of two car parking spaces shall be provided within the curtilage of the site and thereafter maintained and kept available. Reason: To ensure adequate car parking provision within the site in accordance with the standards of the Local Planning Authority.

Note to Applicant: It is considered that, subject to compliance with the conditions and any obligations attached to this permission, the proposed development is acceptable because it will not materially harm the character of the area, the amenity of neighbours or highway safety, and it is in accordance with the policies and proposals of the development plan, as listed below, and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.
