Eastleigh Borough Council TPO and CA Decisions

Date: 3.1.13

Application number: T/12/71683

Address of the trees: Hollygrove Farm. Upper Northam Drive

Request for works: Crown lift to 6m and crown thin by 10%

Comments:

Oak tree on the road edge is a prominent feature in the area and is opposite another similarly aged Oak across the road.

The crown lift to 6m will aid vehicular access as large vehicles use this road. The crown thin will not be detrimental to the area as it will bring the canopy density to match the neighbour.
