Eastleigh Borough Council TPO and CA Decisions

Date: 7.3.13

Application number: T/13/72056

Address of the trees: 55 Oakwood Road

Request for works: Felling

Comments:

Scots pine in rear of property has lost a limb during the winter. The applicant wishes to fell the tree due to its condition. No supporting information provided to show trees condition and no signs of any problems, from a ground prospective, at the time of my visit.

The tree would benefit from a crown lift and this will remove some of the wind sail and make the tree less oppressive in the small rear garden.

I have recommended that the applicant consider the crown lift over the felling. Further information will be required to support the removal.

Decision:

CONSENT WORKS **REFUSE WORKS** PART CONSENT/PART REFUSE
RAISE NO OBJECTION RAISE OBJECTION

Refuse.
