Planning Statement

22nd November 2014

K2 Carriages Limited.
Marts Road.
Botley. SO30 2EY

Existing

K2 Carriages Limited is a garage that as part of its service conducts MOT.
When performing some section of the MOT work a large percentage of the vehicle is outside of the garage.

Proposed

The proposal is to constructed a single storey side extension on the east side of the buildings this will increase the size of garage allowing the MOT to be performed within the confines of the garage is self.
Also to create space for the offices to be moved from the portacabin in which it is currently housed to the inside of the garage.
