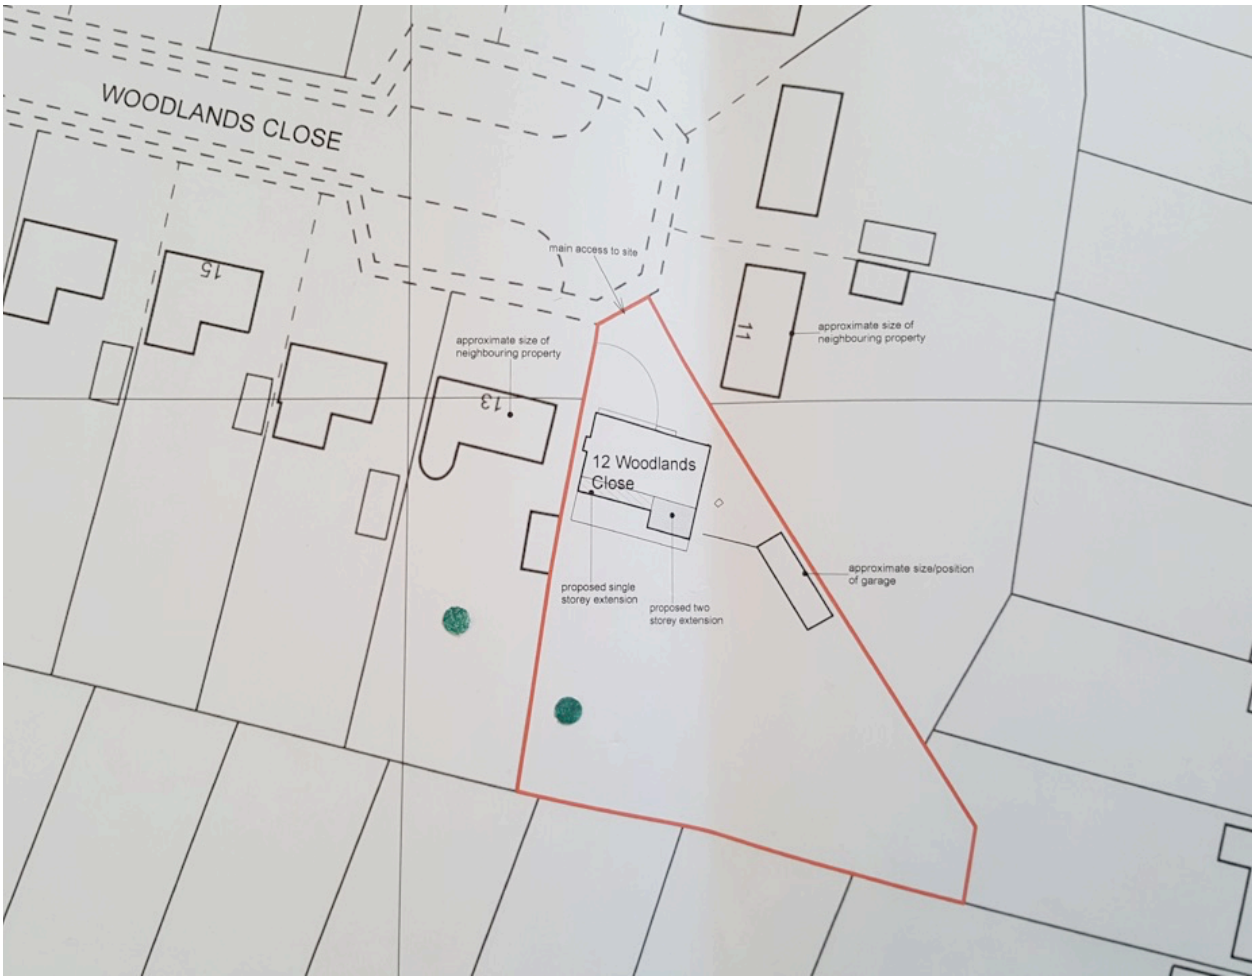
TREE PLAN: 12 WOODLANDS CLOSE, SO53

Two Storey and Single Storey Rear Extensions, Dormer Alterations and Internal Alterations.

There are mature Oak Trees noted to the rear of 12 Woodlands Close and the neighboring property. Whilst these have not been surveyed as part of the application, the clients have provided the below diagram to indicate their location in relation to the property (please note that this is for reference purposes only, and is not to scale).



We do not anticipate that these trees will be affected by the works.
