12 January 2016

Town and Country Planning Act 1990
Town and Country Planning (Tree Preservation) (England) Regulations 2012

Application No. T/15/77679

In pursuance of their powers under the above Act and in accordance with your application received on 3 December 2015

the Council, as Local Planning Authority hereby CONSENT TO TREE WORKS for the following :

Description: Crown reduction of 1no. Scots Pine and 1no. Silver Birch
Site: 17 Purkess Close, Chandler's Ford, Eastleigh, SO53 2ED

Subject to due compliance with the following conditions:
CONSENT TO: Pine(1) - Crown reduce by up to 2m on eastern side of canopy to re-balance crown. Silver Birch(B) - Crown reduce

(1) The tree works hereby consented shall be completed within 2 years of the date of this permission and shall be carried out in accordance with the approved details and to British Standard for Tree Work BS3998:2010. Reason: To preserve the special amenity value of the tree.

Note to Applicant: As per discussion on site, I would recommend removal of the Birch due to likely compromise from Honey Fungus.

Note to Applicant: It is considered that, subject to compliance with the conditions attached to this permission, the proposed tree work is acceptable because it will not materially harm the character of the area, the amenity of neighbours or highway safety, and is in accordance with the policies and proposals of the development plan and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.

Note to applicant: All works hereby consented should be carried out by a suitably qualified tree surgeon. A copy of the decision notice should be given to the Tree Surgeon.
