11 Jockey Lane, Bishopstoke

Plot Plan/Cross Section Level with Proposed Roof Extension, Double Garage & Driveway

Ref: 11JL-Plan-Cross-Level

Scale: N/A
Document Size: A3

The purpose of this drawing is to illustrate the difference in height between the houses on Avington Close and the Plot of 11 Jockey Lane.

The cross section shows that the existing bungalow and proposed new garage do not obscure the view from the dwellings on Avington Close and the garage will not be visible from this point due to the thick, high hedging along the western boundary of 11 Jockey Lane.

The images further demonstrate the height difference as viewed from the East (Bishopstoke Cemetry) and from the back of the Avington Close houses (at the allotment level).
