11 Jockey Lane, Bishopstoke

3 Bedroom Bungalow
with Proposed Side Extension, Double Garage & Driveway

V1. 30.08.11
Ref: 11JL-Garage-Elevations
Scale: 1:75
Document Size: A3

The garage is designed to be in keeping with the shape of the main bungalow, with gable ends and the ridge running front to back.

The garage is to house 2 classic cars so space is paramount.

The roof is to be tiled in an inter-locking tile matching that of the main dwelling.

The front elevation is to be brick matching the existing main house with coins into the rest of the walls which are to be rendered and finished in a cream masonary paint to match that of the existing out-building.

The garage doors and widows will be of a timber style appearance to match the windows of the main dwelling.

Front Gable is to be covered in a dark brown hanging tile matching the gables of the existing house.
