DESIGN & ACCESS STATEMENT

Garmin (Europe) Limited
Parham Drive, Eastleigh, Hampshire, SO50 4NU

Works

Installation of 2no matching powder coated aluminium windows to ground floor on the front of the building (South East Elevation)

Installation of 2no matching powder coated aluminium windows to ground floor on the side of the building (North East Elevation)

Design

The new windows will be aluminium powder coated dark blue to match the existing windows.

The overall design is in keeping with the modern cladding aesthetic of the building with new to match what is currently in place.

Access

The new windows do not affect access.
