Eastleigh Borough Council.

Site Notes

Date: 21.02.13

Application number: T/13/71954

Address of the trees: 9 Walnut Close

Request for works: Reduce by 10% and rebalance

Comments:

Oak in rear garden of the property has been reduced in the past on two occasions. The tree has been subject to unsympathetic pruning in the past and has not a very uneven canopy. The tree will require reducing due to the size of the tree in relation to the garden and proximity to housing.

A reduction of up to 1m, would reduce the canopy back to previous points.

Decision:

CONSENT WORKS REFUSE WORKS PART CONSENT/PART REFUSE

RAISE NO OBJECTION RAISE OBJECTION

Grant consent to reduce canopy up to a maximum of 1m from branch tips and shape.
