Date: 12/11/13.

Application number:
N/13/73383

Address of the trees:
Dulcars, High Street, Hamble-le-Rice, Southampton.

Notice:
T1 Eucalyptus: crown reduction back to previous pruning points.

Correspondence:
None received.

Comments:
The Eucalyptus is a maturing specimen located on the southern rear garden boundary of the property.
The tree appears to have been previously crown reduced, and has now regrown a new canopy with 3 or 4 metres of regrowth evident.
The notified works to prune the Eucalyptus appears to be reasonable.
A tree preservation order is not considered appropriate in this instance.

Decision:
Raise no objection.
