Eastleigh Borough Council TPO and CA Decisions

Date: 26/11/13.

Application number:
N/13/73453

Address of the trees:
Tops'le, Long Lane, Bursledon.

Notice:
T1 Silver Birch: crown lift and crown reduction by 30%.
Works to prevent branch failure and clear telephone cables.

Comments:
The Silver Birch is a small mature specimen located on the eastern frontage of the property.
The Birch has been previously crown reduced at approximately 7m, and has now regrown a new but rather sparse canopy of approximately 10m in height.
The Birch encroaches the dwelling, the public highway and the nearby road signs and telephone cables.
The proposed works appear to be reasonable, and a tree preservation order is not considered to be necessary in this instance.

Decision:
Raise no objection.
T1 Silver Birch: crown lift and crown reduction by 30%, approximately 3.0metres.
Deadwood may be removed from the tree as necessary.
