Eastleigh Borough Council TPO and CA Decisions

Date: 22nd October 2013.

Application number:
N/13/73240

Address of the trees:
Dulcars, High Street, Hamble-le-Rice, Southampton.

Notice:
Reduce and reshape 2no groups of fruit trees, G1 and G2.

Comments:
Group 1: 2 x Apple, 2 x Plum and 1 x Cherry stands on the north side of the access drive to the property.
Group 2: 2 x Apple, 1 x Plum and 1 x Pear stand to the southwest of the dwelling.
At the time of inspection, neither group was clearly visible from the nearby public viewpoints.
As the trees are being grown and tended for fruit production, the notified works to prune and reshape the subject trees to promote health and fruit production appear to be reasonable. A tree preservation order is not considered appropriate in this instance.

Decision:
Raise no objection.

Prune and reshape the subject trees to promote health and fruit production:
Group 1: 2 x Apple, 2 x Plum and 1 x Cherry – all standing on the north side of the access drive to the property.
Group 2: 2 x Apple, 1 x Plum and 1 x Pear - all standing to the southwest of the dwelling.
