Eastleigh Borough Council TPO and CA Decisions

Date: 28.03.13

Application number: T/13/72173

Address of the trees: 23 Coultas Road

Request for works: Felling of 1 No. Scots Pine

Comments:

Scots pine growing on a raised area in the drive entrance of the property has been requested to be felled as it is leaning.

I do not have any concerns over the lean of the tree and consider this to be natural growth due to competition from other trees nearby.

There has been no evidence to support the claim that the tree is dangerous and requires to be removed on safety grounds. I could not find any defects that would lead me to the conclusion that the tree is dangerous and that the lean is likely to see the tree fail.

Decision:

CONSENT WORKS **REFUSE WORKS** PART CONSENT/PART REFUSE
RAISE NO OBJECTION RAISE OBJECTION

Refuse.

Felling of Scots Pine.

Insufficient supporting evidence
