Eastleigh Borough Council Preservation Order and Conservation Area Application Assessment Form

Application Number	T/16/79628	
Case Officer	Matt Strand	
Site Visit Date	19/12/2016	
Address	Netley Cliff Sailing Club Victoria Road Netley Abbey Southampton SO31 5DR	
Work notification/ request	Felling of 1no. Beech	
Comments/ observations following site visit	1no. Beech This tree is part of a larger group affording a water front location with high visibility from the Southampton Water, the highway and numerous neighbours due to the group's position and aspect. Due to the difference in species compared to the rest of the group (Holm Oak) the tree has a greater level of amenity value due to the visual contrast. The tree is has adapted to its open position by the sea with a more compact form. The canopy is sparse in places but overall appears outwardly healthy. There is no supporting arboricultural evidence to fell this visually significant tree.
