Site assessment Date	16/03/2017					
Address	16 Walnut Close Chandler's Ford Eastleigh SO53 5RQ					
Work notification/ request	Fell 1no. Silver Birch & crown reduction of 1no. Silver Birch by 2.5m					
Comments/ observations following site visit	T1 - Silver Birch; Highly visible tree, form not A1 but still contributes significantly to the amenity of the area. The proposed reduction is excessive and will leave the tree looking stubby and have a detrimental affect on the trees health. A lesser reduction could create a framework to maintain the tree to and would not damage the trees visual amenity and lessen the impact to it's health and longevity. T2 - Silver Birch; Clear signs of advanced Honey Fungus - Fell ASAP.
