23rd March 2010.

For the attention of Mr Andrew George.- Planning enforcement officer.

Dear Mr George

I have been contacted by Mr Malcolm Bray of Unit One, Seddul-Bhar ,Allington Lane,West End SO30 3HP regarding his time spent living at the above address of which I would like to confirm in writing as a former neighbour and tenant of JR Properties from end of 1999 to 2008 moving from a small shed to larger units in that period of time and ending up in unit two next to Mr Bray who came in to the next unit, no. One to live and work from 2000.

Although I am no longer a tenant I do regularly deal with Mittals Roofing who have been established there since 1977 under the original owner of Mr Snook the father of June Cook and Richard Snook of JR Properties who have now retired , and I am sure could also provide verification if asked .

I trust this letter is helpful in your deliberations in Mr Brays position and if I can help further please do not hesitate in contacting me further.

Yours sincerely

Mr N.A.Jenkins
