Key: Trees within the curtilage of 6 Eastern Road
Trees in the council owned strip of land bordering 6 Eastern Road

Woodbury, 6 Eastern Road, West End, Southampton, SO30 3EQ

6th January 2015

Application for tree works: works to trees subject to a tree preservation order (TPO) and/or notification of proposed works to trees in a conservation area

Trees within the curtilage of:

"Woodbury", 6 Eastern Road, West End, Southampton, SO30 3EQ

No on plan	Species	Work	Reason for work
T1	Scots Pine – TPO T4 on Council Tree Preservation order no 333 dated 21 March 1995 (no further listing available)	Cut away from phone lines and away from properties by up to 2 m to good growth points	To clear property and phone lines and preserve shape and good appearance of tree

The following trees are marked as part of a TPO general group on EBC Council Tree Preservation order no 333 dated 21 March 1995 – although trees listed have changed from original specification.

No on plan	Species	Work	Reason for work
T2	Oak (seen to right of picture i – behind silver birch - and to foreground of picture ii)	Crown lift 5.2m height and deadwood. Crown reduce 15%. Finished Height of 40ft	To clear road and improve general health and appearance of tree

6th January 2015

T3	Sweet chestnut	Remove two branches back to growth points on left fork overhanging garage Finished Height of 10m	Maintain height to previous reduction – regrowth getting heavy. Finished Height of 11m

T4	Sweet Chestnut	Reduce to previous pruning points and reduce height of top crown sections by 2-3m to good growth points. Finished Height of 11m	To maintain height to previous reduction; regrowth getting heavy.

Request be made that these works be carried out on a cyclical 5 year (or less) basis to negate having to apply every time it needs doing.
