FANTASTIC INVESTMENT

The Greenhurst Sun Awning is easily

During the day turn your decking or patio into that cool shaded shelter in minutes. Block out the heat and the sun and make your room and patio area cooler, enjoy your garden by making it an additional room. And it doesn't have to stop there - when the sun goes down continue to eat alfresco with family and friends and if the evening gets cool, add a patio heater and the awning helps to keep the chill away! A Greenhurst awning is so versatile you'll wonder why you didn't install one before.

So simple to install!

The Awning can be installed by two people (no special skills are required) in about 30 minutes with just a power drill, 14mm masonry bit, spirit level and adjustable spanner.

Enjoy the outdoors with Greenhurst

Turn your decking or patio into the perfect EXTRA room

Spend the Summer relaxing in your garden with a stunning Patio Awning from Greenhurst. Extend your room into the garden and entertain your guests safe in the knowledge that you won't be interrupted by a passing summer shower. With excellent shade it leaves you free to enjoy your garden all day long. This large awning also protects both your family and your interior belongings from the sun's harmful UV rays, so you can just sit back and relax. There's plenty of room for tables and chairs and if you want to enjoy the full sun just simply roll it away!

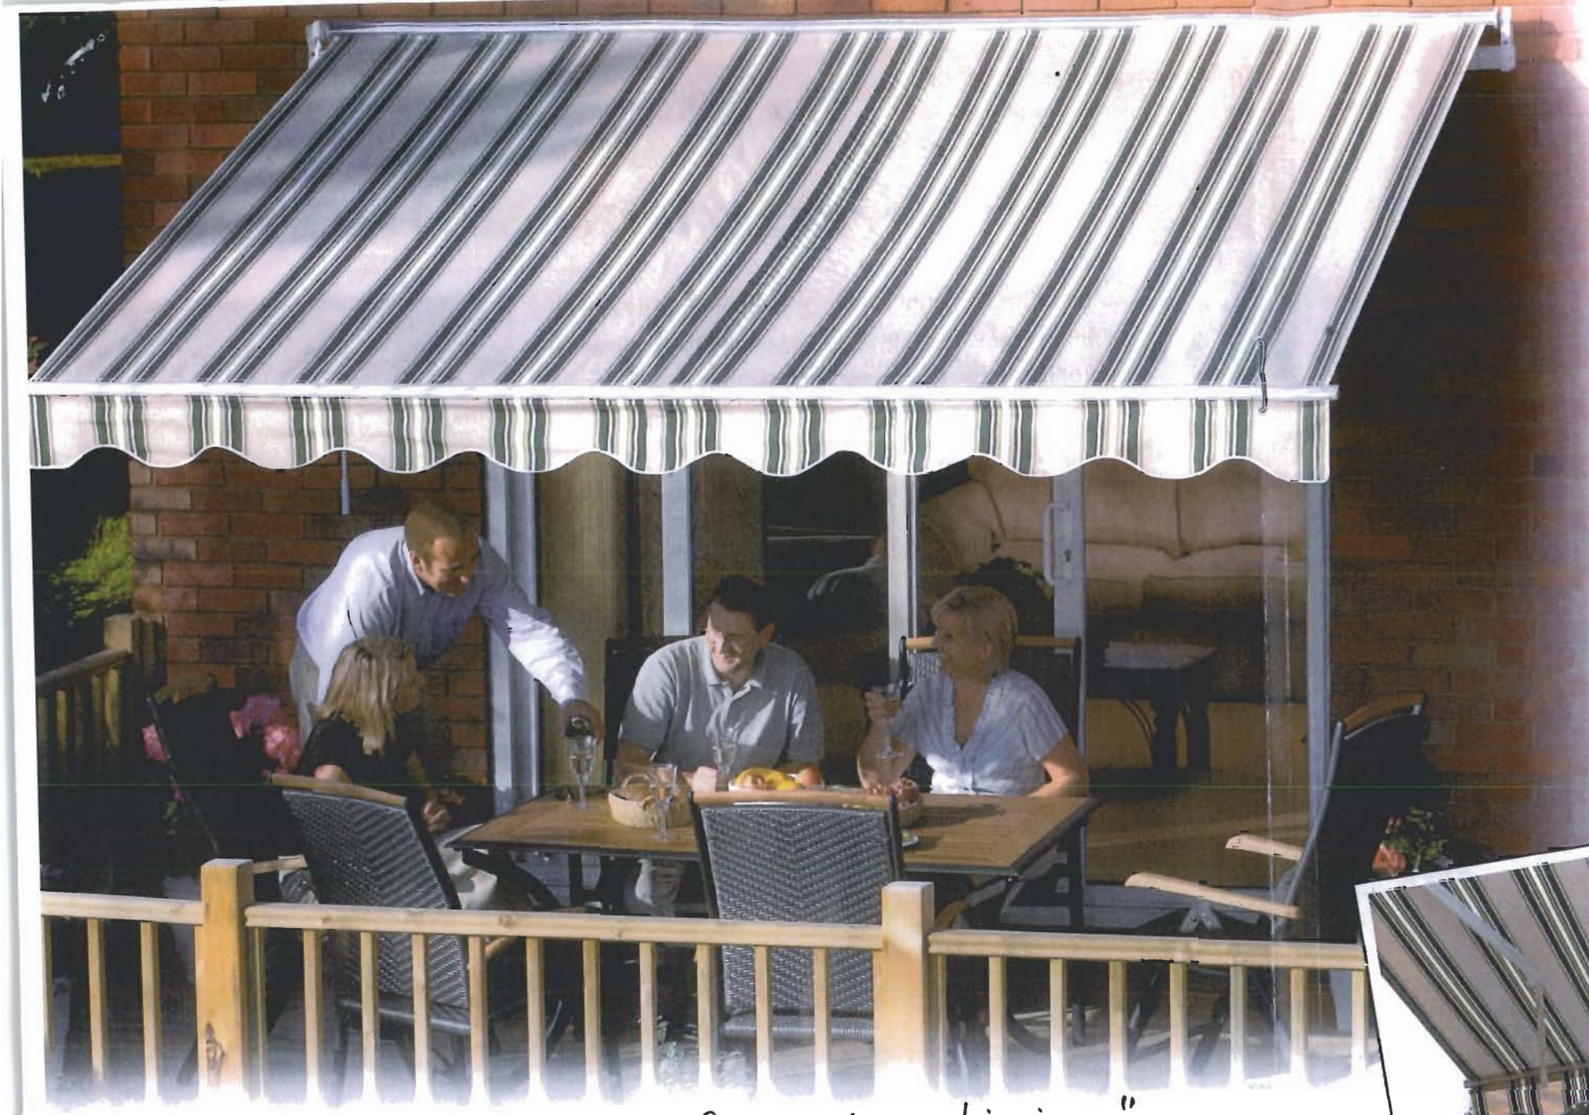

Protects furnishings from fading

In a choice of three sizes and three colours.

Choose from the 'Ascot', 'Henley' or 'Windsor' multi stripe designs. Each available in three sizes, 2.5m width which extends up to 2m, 3m width which also extends up to 2m and a 3.5m width which extends up to 2.5m. Ideal for any size patio or decking area. Easy to install with easy to follow instructions, the awning can easily be removed from the brackets for winter storage. The hard wearing 100% polyester fabric is simple to clean with a sponge or cloth.

Sun or shade the choice is yours!

"Enjoy the experience of outdoor living"
