

App. to F/20/88749

69, New Road,
Netley Abbey,
SO31 5BN.

28 OCT 2023

23rd OCT 20

Dear Sir, Local Plan

The Government Planning Inspector ^{said} the Borough
has already planned sufficient building for
the next 10-15 years. The application is extra.
Parking etc New Road is only a 20'rd and the
car park will be lost. The traffic congestion
& chaos that often occurs, can only get worse.
Impact etc In the orchard many young
saplings will be lost. Some old apple trees
that are invaluable to wildlife will be lost.
If implemented this unpopular planning
proposal will adversely affect many people.

The Co-op will 'pull out' if takings dip
too much (Is this the way to treat a
British Company in these difficult times)
Many elderly local people rely on the
Co-op for their food and independence
Also people who live around the orchard
will lose the tranquility and therapeutic
mental well being that the orchard's
wildlife brings to them.

Yours sincerely
