- 13/01/2022  
The occupier raised no new concerns.
- It was not possible to install all stations within a common brickcourse. Therefore initial readings cannot be interpreted as Distortion Data.
- Readings have been made relative to a point on rear left of main house as requested. It has an assumed value of 10.0000m. No suitable secondary TBM available. If this is not appropriate, please advise if a deep datum is required?
- No further reads

## LEVEL MONITORING - RELATIVE MOVEMENT SKETCH
