Dear Ms Morris,

HILL COTTAGE, WINCHESTER ROAD, FAIR OAK, EASTLEIGH, SO50 7HB

**Retrospective application for externally illuminated advertisement/signboard
affixed to detached outbuilding facing road**

In regard to application A/22/93032, having reviewed the application pack, there is no objection from HCC as Local Highway Authority.

The signage is modest and the lighting levels of 0.01cd/m² (as outlined on the application form) are minimal. As such it would not be anticipated that the illuminated signage would distract passing motorists.

A condition would however be requested to ensure luminance levels do not increase in the future.

AMOUNT OF ILLUMINATION

The illumination of the consented sign(s) shall be no greater than the applied for 0.01 candela per square metres.

Reason: In the interests of highway safety/amenity.

Yours sincerely,

Matt Grantham
