Details of the pre-application advice received

Provided the proposal would not increase in the number of bedrooms (currently 3) and 2 parking spaces are retained to the front of the property, the development would accord with Eastleigh Borough Council Local Plan (2016-2036) policy DM14 and the Eastleigh Borough Council Residential Parking Standards SPD (2009).

As long as the proposed materials match as close as possible to the existing dwelling, a householder planning application for the proposed works would not have any harmful impact on the Botley Conservation Area in accordance with local plan policies S8 and DM12 and should therefore be supported.

As the building is not a listed building, the proposed internal works would not require listed building consent or planning approval.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
