Description of Proposed Works

Please describe the proposed works

Retrospective request for permission for a fence next to a footpath.

When we viewed the property in July 2020, and moved in on 13 November 2020, there was already a 6ft fence along the boundary line (estate agent advert from May 2020 can be provided if required and shows the 6ft fence in place at this time).

In November 2021, we had garden works completed which replaced the fence posts from half wood and half concrete to fully concrete. The lap fence panels have been retained but treated with slate coloured treatment. We have added concrete gravel boards for additional security and to assist with the longevity of the fence panels and public safety.
