Dear Mr Issacs

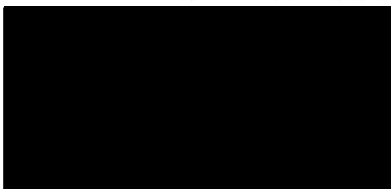

Lot 4, Fir Tree Farm, Off Marls Road, Hedge End, Hants.

Further to our conversation of 14 July 1993 regarding the above plot of land, I am now writing to confirm the views of the Planning Department relating to the use of the land for grazing of horses.

The area of land is within the important strategic gap between Hedge End and Botley and therefore the countryside policies contained within the Eastleigh District Local Plan apply for this site. The grazing of horses is seen as an appropriate use of the land in countryside areas and would not contravene any of the Local Plan Policies.

I trust this clarifies the position, but if you have any other queries please do not hesitate to contact me.

Yours sincerely

/Head of Development and Building Control
