Application No: H/21/90446
Description: New carport with garden storage

I refer to your application and plan numbered 1149.001 Rev D received on 06/06/2022 showing the following changes to the planning permission:

- Barn hipped roof to a gabled roof and addition of a door with outside steps

I have examined your drawings and consider that the revisions can be treated as a non-material amendment to the above planning permission and as such they are hereby permitted.

The conditions specified on the original planning permission will continue to apply.

Yours faithfully
