Hi Alex,

Thanks very much for sending the photos.

I don't see any potential bat roost features in this building.

Please could you add the following informative to the decision letter:

In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be informed. Additional information is available on the Bat Conservation Trust website at

<https://www.bats.org.uk/advice/im-working-on-a-building-with-bats/ive-found-a-bat-during-works>.

Kind regards,

Lisa
