Dear Ms Campbell-Best,

LITTLEDEAN, BOTLEY ROAD, HORTON HEATH, EASTLEIGH, SO50 7DN

Increase dropped kerb

In regard to application H/22/92974, having reviewed the information submitted, there is no objection to the proposals from a highway perspective.

It is proposed to widen the existing drop kerb width from 3.4 to 5.0m to allow for easier access and egress, and with the frontage of the property fully hardstanding, there will be adequate space to park and turn on site to enable forward gear access and egress.

Applicants should however be made aware that subsequent to any permission that may be forthcoming from EBC as Local Planning Authority, a secondary permission will be required from HCC as Local Highway Authority to actually undertake the drop kerb works. Details of this proposal can be found via the following link -

Yours sincerely,

Matt Grantham
